A copy of the Agreement is attached as Exhibit B.

12. The Agreement provides that:

- a. Proskauer's client, the Oversight Board, is solely responsible for Brattle's fees and expenses, and will compensate Brattle in accordance with the terms of the Agreement;
- b. Brattle would charge on a time and materials basis, based on the hourly billing rates in effect at the time services are performed, with all fees and expenses payable under the Agreement to be paid through this PROMESA Title III proceeding; and
- c. in view of the uniqueness of the engagement and the anticipated scope of services to be performed, Brattle will perform 15% of the work for Proskauer on the Relevant Matters on a *pro bono* basis.

13. On July 9, 2019, Brattle caused its first consolidated monthly fee statement for the period March 25, 2019 through May 31, 2019 ("Consolidated Monthly Fee Statement") to be served on the notice parties. 14. Prior to the submission of this Application, no previous request for the allowance of interim compensation for professional services rendered and reimbursement of expenses incurred had been made by Brattle.

**Summary of Professional Services Rendered
By Brattle during the Compensation Period**

15. Brattle's services to Proskauer, as legal counsel to the Oversight Board as representative of the Debtors in the Title III Cases, were reasonable, necessary, appropriate, and beneficial when rendered, facilitated the effective representation by Proskauer of its obligations as legal counsel to the Oversight Board as representative of the Debtors in the Title III Cases, and were in the best interests of the Oversight Board and the Debtors' creditors, the Commonwealth's residents, and other stakeholders. Brattle performed its professional services in an expedient and efficient manner. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and time-sensitive nature of the issues and tasks involved.

16. To provide an orderly and meaningful summary of the services rendered by Brattle, Brattle established, in accordance with the Guidelines, separate task costs. During the Compensation Period, Brattle expended 1,416.40 hours assisting Proskauer on matters relating to the Commonwealth's: Fiscal Plan; PREPA Title III Proceeding; and Plan of Adjustment. Details of Brattle's work during this Compensation Period in furtherance of these tasks for Proskauer are included in the Consolidated Monthly Fee Statement, and summarized as follows:

18. Brattle made every effort to minimize expenses, and during the Compensation Period, disbursed \$1,625.67 as necessary, reasonable and justified expenses. As detailed in the Consolidated Monthly Fee Statement, Brattle seeks reimbursement for its necessary and reasonable expenses, including: (a) out-of-town travel (including local travel to and from airports), lodging and meals; and (b) unique database access and content, and reprints. The expense entries detailed comply with the requirements set forth in the Guidelines, and are of the kind customarily charged to Brattle's non-bankruptcy clients and by other comparable professionals.

Compensation Paid and its Source

19. All services for which Brattle seeks compensation, and expenses for which it seeks reimbursement, were performed on behalf of and at the direction of Proskauer, as legal counsel to the Oversight Board, representative of the Debtors in their Title III Cases. In connection with the request covered by this Application, Brattle has received no payment and no promises of payment for services rendered, or to be rendered, from any source other than the Oversight Board. There is no agreement or understanding between Brattle and any other person for the sharing of compensation received for services rendered to Proskauer in the Debtors' Title III cases.

20. PROMESA sections 316 and 317 provide for interim compensation of professionals and govern this Court's award of such compensation. PROMESA section 316 provides that a court may award a professional employed for the benefit of the Debtor or the

Oversight Board under PROMESA “reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses.” PROMESA § 316(a).

PROMESA section 316 also sets forth the criteria for awarding compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (1) the time spent on such services;
- (2) the rates charged for such services;
- (3) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this chapter;
- (4) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (5) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (6) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this subchapter or title 11.

PROMESA § 316(c).

21. Brattle respectfully submits that the professional services rendered during the Compensation Period were necessary for and beneficial to Proskauer’s effective representation of the Oversight Board and therefore were necessary for and beneficial to the maximization of value for all stakeholders and ultimately to the orderly administration of the Debtors’ Title III Cases. The services required experienced professionals with specialized expertise to timely and thoroughly respond to Proskauer’s requests. During the Compensation Period, Brattle worked efficiently, under time constraints, to respond to Proskauer’s needs.

22. The rates of the Brattle personnel performing the services are the rates Brattle charges for professional services rendered in comparable bankruptcy and non-bankruptcy matters, and are reasonable given the customary rates charged by comparably skilled practitioners in comparable bankruptcy and non-bankruptcy cases in a competitive national market.

23. The fees for which allowance is requested reflect that Brattle has performed 15% of the services on a *pro bono* basis.

24. Brattle submits that allowance of the fees and expenses requested herein is reasonable and warranted in light of the nature, extent and value of Brattle's services to the Proskauer, as legal counsel to the Oversight Board, as representative of the Debtors in the Title III Cases. Proskauer has reviewed and approved this Application.

No Previous Request

25. No previous request for the relief sought herein has been made by Brattle to this or any other court.

Reservations

26. To the extent time or disbursement charges for services rendered or expenses incurred relate to the Compensation Period but were not processed prior to the preparation of this Application, or Brattle has for any other reason not yet sought compensation or reimbursement of expenses herein with respect to any services rendered or expenses incurred during the Compensation Period, Brattle reserves the right to request compensation for such services and reimbursement of such expenses in a future application.

INDEPENDENT CONTRACTOR SERVICES AGREEMENT

The Brattle Group, Inc.

EFFECTIVE DATE: March 25, 2019

THIS INDEPENDENT CONTRACTOR SERVICES AGREEMENT (the "**Agreement**") is made by and between Proskauer Rose LLP ("**Proskauer**") as legal counsel to and on behalf of THE FINANCIAL OVERSIGHT AND MANAGEMENT BOARD FOR PUERTO RICO (the "**Board**") created by the Puerto Rico Oversight, Management, and Economic Stability Act, 48 U.S.C. chapter 20 ("**PROMESA**"), and The Brattle Group, Inc. (the "**Contractor**"). Proskauer and Contractor hereby agree as follows:

1. **Introduction.** Proskauer Rose LLP ("**Proskauer**") has been retained by the Financial Oversight and Management Board for Puerto Rico (the "**Board**") as counsel in connection with matters relating to and arising out of implementation of the provisions of the federal Puerto Rico Oversight, Management, and Economic Stability Act ("**PROMESA**"). Those matters include advising and representing the Board concerning the performance of its duties and activities pursuant to PROMESA, the restructuring or adjustment of the obligations of the Commonwealth of Puerto Rico and its instrumentalities, and litigation arising out of any of those matters (collectively, the "**Relevant Matters**").

2. **Engagement of Services.** Proskauer may offer Project Assignments to Contractor in the form attached to this Agreement as *Exhibit A* ("**Project Assignment**"). Subject to the terms of this Agreement, Proskauer will retain Contractor to render the services set forth in Project Assignment(s) accepted by Contractor by the completion dates set forth therein. Proskauer appreciates that Contractor is not a law firm, and will not provide, nor should Contractor be asked to provide, legal advice or strategy.

3. **Compensation.** Although Contractor is retained by Proskauer, the Board will be solely responsible for Contractor's fees and disbursements in accordance with the Agreement and Proskauer will have no responsibility or liability for them. The Board will compensate Contractor in accordance with the terms of this Agreement. The Board will pay Contractor the fees set forth in each Project Assignment for services rendered pursuant to this Agreement. Contractor is responsible for all reasonable expenses incurred in the performance of services under this Agreement. Contractor will be reimbursed only for expenses which are expressly provided for in a Project Assignment or which have been approved in advance in writing by Proskauer or the Board. The Board will additionally reimburse Contractor pursuant to the Agreement for all costs Contractor reasonably might incur in connection with this engagement, so long as the retention of any other professional advisors to assist or counsel Contractor on matters related to this engagement is expressly approved by Proskauer and the Board in advance. Contractor must furnish all documentation for authorized expenses the Board reasonably requests. Payment of Contractor's fees and expenses will be in accordance with terms and conditions set forth in the applicable Project Assignment. Upon termination of this Agreement for any reason, Contractor will be paid fees on the basis stated in the Project Assignment(s) for work which has been completed.

4. **Independent Contractor Relationship.**

4.1 Contractor's relationship with Proskauer is that of a consultant to assist Proskauer in its representation of the Board. Contractor's activities under this engagement will be at Proskauer's express direction. Proskauer will define the scope of Contractor's work for Proskauer from

time to time. If Proskauer later decides to designate Contractor as an expert witness, Contractor's role will be defined by applicable law governing expert witnesses. Contractor is not authorized to make any representation, contract or commitment on behalf of Proskauer or the Board unless specifically requested or authorized in writing to do so by Proskauer or the Board.

4.2 Contractor shall be responsible for exercising independent discretion and judgment to achieve the results specified in this Agreement and in any Project Assignments, and no member, officer, agent or employee of Proskauer shall have the authority to direct Contractor as to the manner or means employed to achieve such results.

4.3 Contractor shall be responsible for providing all tools and equipment necessary to perform services under this Agreement and any Project Assignments. Contractor shall bear all expenses associated with the provision of services under this Agreement and in any Project Assignments, except as otherwise agreed to pursuant to Section 3 of this Agreement.

4.4 Contractor will not be entitled to any of the benefits that Proskauer or the Board may make available to its employees, including, but not limited to, group health or life insurance, profit-sharing or retirement benefits.

4.5 Contractor is solely responsible for, and will file, on a timely basis, all tax returns and payments required to be filed with, or made to, any applicable tax authority with respect to the performance of services and receipt of fees under this Agreement.

4.6 Contractor's compensation will be subject to withholding by the Board, as required by law, for the payment of any applicable income taxes.

4.7 Any employees or agents of Contractor shall be the sole responsibility of Contractor, and shall not be employees or agents of, or paid by, Proskauer or the Board. Neither the Contractor nor its employees or agents are entitled to invoke any of the laws or protections that may apply to employees of the United States government or the Commonwealth of Puerto Rico. Contractor shall have full liability for their acts. Contractor shall bear all expenses associated with the employment of such individuals, and assume sole responsibility for compliance with applicable laws, rules, regulations and orders regarding Contractor's employees.

5. Nondisclosure.

5.1 Recognition of Board's Rights; Nondisclosure. Contractor understands and acknowledges that the Board has a protectable interest in its Confidential Information (defined below). At all times during the term of this Agreement and thereafter, Contractor will hold in strictest confidence and will not disclose, use, lecture upon or publish any of the Board's Confidential Information, except as such disclosure, use or publication may be required in connection with Contractor's services for Proskauer, or unless Proskauer or the Board expressly authorizes such in writing. Contractor will obtain the Board's or Proskauer's written approval before publishing or submitting for publication any material (written, verbal, or otherwise) that relates to Contractor's services for Proskauer and/or incorporates any Confidential Information. Contractor hereby assigns to the Board any rights Contractor may have or acquire in such Confidential Information and recognizes that all Confidential Information shall be the sole property of the Board and its assigns. Contractor will take all reasonable precautions to prevent the inadvertent or accidental disclosure of Confidential Information. Notwithstanding the foregoing, it is understood that in the event Contractor is working with other professional advisers retained by Proskauer or the Board in relation to the services set forth in Project Assignment(s), unless Proskauer or the Board

instructs Contractor otherwise, Contractor shall be permitted to disclose Confidential Information and Third-Party Information (defined below) and to them.

5.2 Confidential Information. The term "**Confidential Information**" shall mean any and all confidential and/or proprietary knowledge, data or information of or used by Proskauer or the Board, whether having existed, now existing, or to be developed during the term of this Agreement. By way of illustration but not limitation, "**Confidential Information**" includes (a) trade secrets, inventions, mask works, ideas, processes, formulas, source and object codes, data, programs, other works of authorship, know-how, improvements, discoveries, developments, designs and techniques and any other proprietary technology and all Proprietary Rights therein (hereinafter collectively referred to as "**Inventions**"); (b) information regarding research, analysis, development, business plans, budgets and unpublished financial statements, licenses, prices and costs, margins, credit terms, forecasts, future plans and potential strategies, financial projections and business strategies, operational plans, financing and capital-raising plans, activities and agreements, internal services and operational manuals, methods of conducting Board business, suppliers and supplier information, and purchasing; (c) information regarding any of the Board's contractors, vendors, or representatives and their services, including names, representatives, proposals, bids, contracts and their contents and parties, the type and quantity of products and services received by the Board, and other non-public information relating to Board contractors, vendors, or representatives; and (d) information regarding personnel, employee lists, compensation, and employee skills. Notwithstanding the foregoing, it is understood that, at all such times, Contractor is free to use information which is generally known publicly or in the trade or industry through no breach of this Agreement or other act or omission by Contractor.

5.3 Third Party Information. Contractor understands, in addition, that the Board or Proskauer have received and in the future, will receive from third parties, including the Commonwealth of Puerto Rico, confidential and/or proprietary knowledge, data, or information ("**Third Party Information**") subject to a duty on the Board's or Proskauer's part to maintain the confidentiality of such information and to use it only for certain limited purposes. During the term of this Agreement and thereafter, Contractor will hold any Third Party Information disclosed by the Board or Proskauer, or obtained in connection with its work in the strictest confidence and will not disclose to anyone (other than Board members or Proskauer and their respective personnel who need to know such information in connection with their work) or use, except in connection with Contractor's services for Proskauer, Third Party Information unless expressly authorized by a member of Proskauer or the Executive Director or a member of the Board in writing. Contractor shall comply with all applicable laws, rules, and regulations concerning confidentiality.

5.4 Term of Nondisclosure Restrictions. Subject to the terms hereof, Contractor understands that Confidential Information and Third-Party Information is never to be used or disclosed by Contractor, as provided in this Section 5. If, however, a court decides that this Section 5 or any of its provisions is unenforceable for lack of reasonable temporal limitation and the Agreement or its restriction(s) cannot otherwise be enforced, Contractor and Proskauer agree that the two (2) year period after the termination of this Agreement shall be the temporal limitation relevant to the contested restriction, provided, however, that this sentence shall not apply to trade secrets protected without temporal limitation under applicable law.

5.5 No Improper Use of Information. During the term of this Agreement, Contractor will not improperly use or disclose any Confidential Information or trade secrets of any person or entity to whom Contractor has an obligation of confidentiality, and Contractor will not bring onto the premises of Proskauer or the Board any documents or any property belonging to any person or entity to whom Contractor has an obligation of confidentiality unless consented to in writing by that person or

entity. During Contractor's engagement as a consultant performing services for Proskauer, Contractor may also have access to "Inside" or non-public information about one or more companies associated with Board's work. Use of "Inside," Confidential Information or Third-Party Information in making any investment is absolutely prohibited, and Contractor represents and warrants that Contractor will comply with all applicable securities laws and regulations.

6. Records. To the extent that Contractor is required to develop, review and/or analyze Confidential Information or Third-Party Information, Contractor further shall store and maintain all Confidential Information in a secure place. Such material shall at all times remain the exclusive property of the Board and/or the applicable third party, unless otherwise agreed to in writing by a Board member or the Board's Executive Director.

7. Return of Board Property. On the earlier of termination of this Agreement or a request by the Board's Executive Director, Contractor shall return to the Board or destroy all the Board property which Contractor obtained from the Board or created in the course of any Project Assignment, including any Confidential Information and Third-Party Information. Contractor acknowledges that all such property shall at all times remain the exclusive property of the Board, unless otherwise agreed to in writing by a Board member or the Board's Executive Director.

8. No Conflict of Interest. During the term of this Agreement, Contractor will not enter into a contract, or accept any obligation from any third party, inconsistent or incompatible with Contractor's obligations, or the scope of services rendered for Proskauer, under this Agreement or any accepted Project Assignment. Contractor and Proskauer shall agree upon appropriate actions during the term of this Agreement or any accepted Project Assignment, including to avoid any creation of an appearance of a conflict of interest with the Board's mission or the work performed by the Contractor for Proskauer. To the best of its knowledge after due inquiry, Contractor represents that Contractor's performance of all the terms of this Agreement and any accepted Project Assignment does not and will not breach any agreement made prior to the execution of this Agreement, including any noncompetition agreement or any agreement to keep in confidence information acquired by Contractor in confidence or in trust. While providing services for Proskauer pursuant to this Agreement, Contractor shall not enter into any agreement, either written or oral, to provide services on the matters on which Contractor was engaged hereunder to others which are, to the best of Contractor's knowledge after due inquiry, adverse to the Board in any legal or regulatory proceeding pertaining directly to the Relevant Matters for the Commonwealth of Puerto Rico (or any of the Commonwealth's instrumentalities) proposed by the Board.

9. Compliance with Laws, Regulations, and Vendor Code of Conduct. While providing services for Proskauer pursuant to this Agreement, Contractor shall comply with all applicable laws, rules and regulations, as well as all applicable Board policies and rules, including without limitation the Board's Vendor Code of Conduct and its disclosure certification, provided that (i) the restriction in the "Trade" paragraph in the Board's Vendor Code of Conduct on Contractor doing business with anyone reasonably suspected of being connected with criminal or terrorist activities or who is otherwise subject to applicable trade sanctions shall not prevent Contractor from providing consulting services to such persons to the extent such consulting services are provided in accordance with applicable laws and rules of professional conduct; and (ii) the restriction in the "Conflicts of Interest" paragraph in the Board's Vendor Code of Conduct on Contractor dealing directly with any Board member or ex officio member or employee whose spouse, domestic partner, or other family member or relative is associated with and/or holds any ownership or any financial interest in the Vendor shall not restrict Vendor from its ordinary course purchases of supplies and services or its provision of consulting services in accordance with applicable laws and the standard of care normally exercised by professional consulting firms performing

comparable services. A copy of the Vendor Code of Conduct and its Vendor Code of Conduct Disclosure Certification is attached as **Exhibit B** hereto.

10. Term and Termination.

10.1 Term. Unless earlier terminated as provided in this Agreement or by mutual written agreement of the parties, this Agreement shall expire on the date of completion of Contractor's services in respect of the Relevant Matters. The parties may renew the Agreement for an additional time period by mutual, written agreement prior to the expiration of the term.

10.2 Termination by Proskauer or the Board. Proskauer or the Board may terminate this Agreement or any Project Assignment upon the earlier of (i) thirty (30) days written notice, and (ii) Contractor's material breach of either Section 5 ("Nondisclosure") or Section 11 ("Noninterference with Business") of this Agreement. Termination shall neither eliminate accrued amounts owing to Contractor nor any amounts owing to Proskauer or the Board due to Contractor's breach.

10.3 Termination by Contractor. Contractor may terminate this Agreement or any Project Assignment upon thirty (30) days written notice in the event of a material breach by Proskauer or the Board of this Agreement or any Project Assignment.

10.4 Survival. The rights and obligations contained in Sections 5 ("Non-Disclosure") of this Agreement and 11 ("Noninterference with Business") shall survive the termination or expiration of this Agreement regardless of the reason, and the assignment of this Agreement to any successor in interest or other assignee.

11. Noninterference with Business. During this Agreement, Contractor shall not interfere with the business or activities of Proskauer or the Board in any manner. By way of example and not of limitation, during this Agreement, Contractor shall not:

11.1 solicit, induce, encourage, or participate in soliciting, inducing, or encouraging any employee of the Board to terminate his or her relationship with the Board;

11.2 hire, or employ, or attempt to hire or employ any person employed by the Board or who has left the employment of the Board within the preceding six (6) months or discuss any potential employment or business association with such person, even if Contractor does not initiate the discussion or seek out the contact;

11.3 solicit, induce or attempt to induce any consultant or independent contractor with whom Contractor had direct or indirect contact or whose identity Contractor learned as a result of Contractor's engagement with Proskauer, to terminate, diminish, or materially alter in a manner harmful to Proskauer or the Board its relationship with Proskauer or the Board; or

11.4 during this Agreement, enter into a contract to perform services on the matters on which Contractor was engaged hereunder for any other entity or person which is, to the best of Contractor's knowledge after due inquiry, adverse to the Board in any legal or regulatory proceeding pertaining directly to the Relevant Matters for the Commonwealth of Puerto (or any of the Commonwealth's instrumentalities) proposed by the Board.

12. Successors and Assigns. Contractor may not subcontract or otherwise delegate its obligations under this Agreement without the prior written consent of Proskauer or the Executive Director

of the Board. Subject to the foregoing, this Agreement will be for the benefit of Proskauer's successors and assigns, and will be binding on Contractor's assignees, if any. Notwithstanding the foregoing, nothing in this Agreement shall prevent Contractor from utilizing Contractor's employees to perform services under the Agreement or any Project Assignment.

13. Indemnification. Contractor shall indemnify and hold harmless the Board and its members, officers, directors and employees from (a) all taxes, penalties and interest the Board may be required to pay as a result of Contractor or any of Contractor's personnel being deemed an employee of the Board; and (b) any other tax liability or payments related to or resulting from this Agreement or the services rendered by Contractor for Proskauer. In no event will Contractor, Proskauer or the Board be liable for any consequential, indirect, exemplary, special or incidental damages arising from or relating to this Agreement. Each of Contractor, Proskauer and the Board's respective total cumulative liability in connection with this Agreement, whether in contract or tort or otherwise, will not exceed the aggregate amount of fees and expenses owed by the Board to Contractor for services performed under this Agreement.

14. Non-Disparagement. Contractor will not, during the term of the Agreement, and for two (2) years thereafter, disparage the Board, its members, officers, or employees, in their capacity as such, except to the extent that the Contractor is required to do so in connection with the fulfillment of its obligations to Proskauer. Contractor shall indemnify and hold the Board, its members, officers, directors, and shareholders harmless from and against any and all losses, claims, damages, or expenses, (including attorneys' and experts' fees) arising from or growing out of any disparaging statement made by Contractor in violation of this Section 14.

15. Reasonableness of Restrictions.

15.1 Contractor has read this entire Agreement and understands it. Contractor acknowledges the restrictions contained in this Agreement are reasonable, proper, and necessitated by Proskauer's and the Board's legitimate business interests.

16. Legal and Equitable Remedies.

16.1 Contractor acknowledges it may be impossible to assess the damages caused by Contractor's violation of Sections 5 ("Non-Disclosure") and 11 ("Noninterference with Business") of this Agreement. Any threatened or actual violation of such Sections of this Agreement will constitute immediate and irreparable injury to the Board and Proskauer or the Board shall have the right to enforce those Sections of this Agreement by injunction, specific performance or other equitable relief, without bond and without prejudice to any other rights and remedies that Proskauer or the Board may have for a breach or threatened breach of those Sections or any other Section of this Agreement.

16.2 If Proskauer the Board is successful in whole or in part in any legal or equitable action against Contractor under this Agreement, Proskauer or the Board shall be entitled to payment of all costs, including reasonable attorneys' fees; from Contractor.

16.3 In the event Proskauer or the Board enforces this Agreement through a court order, the restrictions of Section 11 shall remain in effect for a period of twelve (12) months from the effective date of the Order enforcing the Agreement.

17. Notices. Any notices required or permitted hereunder shall be given to Proskauer as listed below, at Contractor's address as listed below, or at such other address as the party shall specify in

writing. Such notice shall be deemed given upon personal delivery to the appropriate address or three (3) days after the date of mailing if sent by certified or registered mail.

18. Governing Law; Consent to Personal Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by the laws of the Commonwealth of Puerto Rico independent of its choice of law principles. This Agreement is not a United States government contract or contract of the Commonwealth of Puerto Rico. Consequently, United States and Commonwealth contracting and contract protest laws do not apply to this Agreement. Any action against the Board shall be brought in accordance with PROMESA § 106. Contractor hereby expressly consents to the personal jurisdiction and venue of the federal court in Puerto Rico. The Board and Contractor each waive all rights to jury trial under Commonwealth of Puerto Rico law and federal law.

19. Severability. In case any one or more of the provisions, subsections, or sentences contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect the other provisions of this Agreement, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. Moreover, if any one or more of the provisions contained in this Agreement shall for any reason be held to be excessively broad as to duration, geographical scope, activity or subject, it shall be construed by limiting and reducing it, so as to be enforceable to the extent compatible with the applicable law as it shall then appear.

20. Waiver. No waiver by Proskauer or the Board of any breach of this Agreement shall be a waiver of any preceding or succeeding breach. No waiver by Proskauer or the Board of any right under this Agreement shall be construed as a waiver of any other right. Neither Proskauer nor the Board shall be required to give notice to enforce strict adherence to all terms of this Agreement. Nothing herein waives any exemption from liability or other rights of the Board under PROMESA.

IVENDOR/CONSULTANT/REPRESENTATIVE CODE OF CONDUCTI

The Financial Oversight and Management Board for Puerto Rico (the "Board") is committed to ethical and lawful behavior, and to acting professionally and fairly in all of its business dealings and relationships. The Board seeks to maintain high ethical standards and to comply with all applicable laws and regulations. The Board expects its vendors, consultants, and representatives to embrace this commitment to ethical and lawful behavior by complying with and training its employees on the Board's Vendor Code of Conduct. The Board also expects its vendors to have their own codes of conduct that ensure ethical business conduct and practices.

I. Compliance with the Vendor Code of Conduct

All vendors, consultants, and representatives and their employees, agents, and subcontractors (collectively referred to as "Vendors") must adhere to this Code of Conduct while conducting business with or on behalf of the Board. Vendors must promptly inform Proskauer and the Executive Director, the General Counsel, or a member of the Board when any situation develops that causes, or may cause, the Vendor to violate any provision of this Code of Conduct. Although Vendors are expected to self-monitor and demonstrate their compliance with this Code of Conduct, Proskauer or the Board may audit Vendors and/or inspect Vendors' facilities and records to confirm compliance.

Proskauer or the Board may require the immediate removal from any project or engagement of any Vendor representative(s) or personnel who behave in a manner that is unlawful or inconsistent with this Code of Conduct or any Board policy. Compliance with this Code of Conduct, as well as attendance at any training on this Code of Conduct as may be offered by the Board, is required in addition to any other contractual obligations a Vendor may have to Proskauer or the Board.

II. Legal and Regulatory Compliance Practices

Vendors must conduct their business activities on behalf of Proskauer and the Board in full compliance with the letter and spirit of all applicable laws and regulations.

- **Anti-Corruption.** The Board takes a zero-tolerance approach to bribery and corruption, and it requires its Vendors to do the same. Vendors must not participate in bribes or kickbacks of any kind, whether in dealings with the Board, government and public officials, or individuals in the private sector. Vendors must also comply with all applicable anti-corruption and anti-money laundering laws, as well as laws governing gifts and payments to public officials, political campaign contribution and lobbying laws, and other related regulations. In particular, Vendors must not:
 - Offer, promise, or allow anything of value (including travel, gifts, hospitality expenses, and charitable donations) to be given on behalf of Proskauer or the Board to influence a business or government decision, gain an improper advantage, or otherwise improperly promote the interests of Proskauer or the Board in any respect;
 - Offer, promise, or allow anything of value to be given to a Board member or employee to influence a Board decision or otherwise gain an improper advantage; or

- Ask for or accept anything of value which the Vendor knows or suspects is being offered to influence a Board decision or otherwise obtain an improper advantage in connection with the Vendor's work with or on behalf of Proskauer or the Board.
- **Antitrust/Fair Business Practices.** Vendors must conduct their business in full compliance with antitrust and fair competition laws that govern the jurisdictions in which they conduct business. Vendors must also uphold all standards of fair dealing and abide by all fair business practices, including truthful and accurate advertising.
- **Trade.** Vendors shall comply with all applicable trade controls, as well as any applicable export, re-export, and import laws and regulations. Vendors must not knowingly employ or do business with anyone reasonably suspected of being connected with criminal or terrorist activities or who is otherwise subject to applicable trade sanctions.
- **Freedom from Unlawful Harassment and Discrimination.** Vendors shall provide a workplace free from harassment and/or discrimination in hiring, compensation, access to training, promotion, termination, and/or retirement on the basis of race, color, creed, religion, sex, gender identity or expression, sexual orientation, pregnancy, status as a parent, age, marital status, national origin, ancestry, citizenship status, physical or mental disability or serious medical condition, protected genetic information, political beliefs, status as a veteran, or any other characteristic protected by law. Vendors shall further prohibit any form of reprisal or retaliation against any employee for reporting harassment or discrimination in good faith or for participating in good faith in a harassment or discrimination investigation.
- **Wages, Benefits and Working Hours.** Vendors must comply with local applicable laws regarding wages, overtime hours and mandated benefits. Vendors must also communicate with workers about compensation, including any overtime pay, in a timely and honest manner.
- **Freely Chosen Employment.** No Vendor shall use any form of indentured, slave, or forced labor, including involuntary prison labor. Vendors are also prohibited from supporting or engaging in any form of human trafficking of involuntary labor through threat, force, fraudulent claims, or other coercion.
- **Child Labor.** Vendors shall comply with all local and national minimum working age laws or regulations and not use child labor. All employees shall be age 18 and over unless: (i) a country's legal age for employment or age for completing compulsory education is under 18; and (ii) the work is non-hazardous.

III. Business Practices and Ethics

Vendors must conduct their business interactions and activities with integrity.

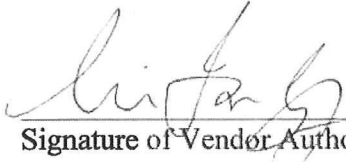

- **Honesty and Integrity.** Vendors must at all times be honest, direct, and truthful in discussions with the Board, its staff and agents, regulatory agency representatives, and government officials.
- **Business and Financial Records.** The Board expects Vendors to timely, honestly, and accurately record and report all business information, including without limitation any invoices for payment, and comply with all applicable laws regarding their creation, completion, accuracy, retention, and disposal. All invoices must be (i) timely submitted, (ii) itemized, (iii) supported by appropriate documentation, and (iv) must comply with all other requirements as set out in the relevant contract(s).

- **Conflicts of Interest.** Vendors shall scrupulously avoid any conflict, real or perceived, direct or indirect, between their own individual, professional, or business interests and the interests of Proskauer or the Board. Among other things, Vendors must not deal directly with any Board member or *ex officio* member or employee whose spouse, domestic partner, or other family member or relative is associated with and/or holds any ownership or other financial interest in the Vendor. In the course of negotiating the Vendor agreement or performing the Vendor's obligations, dealing directly with a Vendor personnel's spouse, domestic partner, or other family member or relative employed by the Board is also prohibited. Complying with this requirement includes, but is not limited to, each Vendor's completion of the Vendor Conflict of Interest Disclosure Certification attached as **Appendix A** hereto.
- **Gifts and Entertainment.** Vendors should avoid any actions with Board members or *ex officio* members or employees during any vendor selection or re-selection process that could give others the impression of favoritism or other improper advantage. Furthermore, Vendors should not offer, and Board members, *ex officio* members, and employees must not accept, gifts or entertainment that might compromise, or appear to compromise, the Board member or employee's judgment or independence. Even a well-intentioned gift might constitute or be perceived to be a bribe under certain circumstances, or create a conflict of interest or the appearance of a conflict of interest. Board employees are required to conduct all business and interactions with Vendors in strict compliance with the applicable provisions of the Board's business ethics and conflict of interest policies.
- **Confidentiality, Privacy and Data Security.** Vendors shall, at all times while they are engaged by Proskauer and thereafter, (i) hold all proprietary and confidential information of the Board in strictest confidence, (ii) not use or disclose for any purpose any proprietary and confidential information of the Board to any person, business or entity, except as specifically authorized in writing by Proskauer or the Board, and (iii) not disclose for any purpose any non-public information concerning their retention by the Board or their services for the Board, except as specifically authorized in writing by Proskauer or the Board. Vendors shall abide by all Board requirements and procedures for protecting the proprietary and confidential information of the Board, including signing and abiding by the Board's confidentiality agreements. Vendors who handle proprietary and confidential information on behalf of Proskauer or the Board or belonging to the Board must apply and maintain sufficient privacy and information security safeguards. Vendors shall also be subject to an information and data security assessment.
- **Media.** Vendors are prohibited from speaking to the press or making any public statements, oral or written, concerning their work for or on behalf of Proskauer or the Board without the express written authorization of Proskauer or the Board.
- **Reporting Concerns.** Vendors shall maintain a hotline or other reporting system for their workers to confidentially and anonymously report any information or concerns about suspected non-compliance or violations of law or improper conduct by any Vendor employee or agent without threat of reprisal, intimidation or harassment. If concerns are reported, Vendors shall promptly and thoroughly investigate any such report and take corrective action as necessary and appropriate.

[VENDOR CONFLICT OF INTEREST DISCLOSURE CERTIFICATION]

All vendors, consultants, and or experts ("Vendors") interested in conducting business with the Financial Oversight and Management Board for Puerto Rico (the "Board") must complete and return this Vendor Conflict of Interest Disclosure Form to be eligible for a contract award. Disclosing a potential conflict of interest will not automatically disqualify the Vendor. The potential conflict of interest will be investigated to determine whether it precludes the contract award. In the event, however, that the Vendor does not disclose potential conflicts of interest and they are discovered by the Board, the Vendor will be barred from doing business with the Board.

[FOMB EXPENSE REIMBURSEMENT]

Financial Oversight and Management Board for Puerto Rico
June 30, 2017

Expense Reimbursement Policy

1. Introduction

The Board of Members of the Financial Oversight and Management Board for Puerto Rico (“the Board”) recognizes that board members, officers, staff, and contractors* of the Board may be required to travel or incur in other expenses from time to time to conduct Board business.

The Reimbursed Expenses Policy (the “Policy”) is designed to govern the reimbursement of reasonable, defined expenses incurred on authorized Board activities. Consequently, all reimbursed expenses must be consistent with a business objective and carried out in a timely and cost-effective manner.

This Policy applies to board members, officers, staff, and contractors* who incur authorized and approved travel and other expense items in the context of the Board’s business. While exceptions are not normally permitted, there is clear recognition of certain special business needs. In any such exceptional situations, all board members, officers, staff, and contractors* are expected to apply a high degree of common sense and good judgment.

2. Purpose of the Policy

The purpose of this policy is to ensure that (a) adequate cost controls are in place, (b) travel and other expenditures are appropriate, and (c) to provide a uniform and consistent approach for the timely reimbursement of authorized expenses incurred by the Board. It is the policy of the Board to reimburse only reasonable and necessary expenses incurred by board members, officers, staff, and contractors.

3. Principles of the Policy

The Policy aims to provide a flexible framework for travel and other expenses based on the following principles:

- 3.1** This Policy applies to board members, officers, staff, and contractors* undertaking travel other expenses on Board business and for the purposes of this Policy, the term “staff” shall mean employees of the Board.

*Expense policy applies only to contractors whose contracts specify they will be able to reimburse listed expenses.

- 3.2 It is the responsibility of board members, officers, staff, and contractors* to ensure the selection of the most direct and economical travel options and that all expenses are attributable to a valid Board business purpose.
- 3.3 Board members, officers, staff, and contractors* shall be entitled to reimbursement of expenses on production of supporting vouchers and invoices meeting the requirements of an "Accountable Plan" provided under Regulation No. 8297 dated December 18, 2012 issued by the Puerto Rico Department of Treasury. No expense reimbursement will be allowed for amounts in excess of actual expenditures incurred. No expense reimbursement will be allowed for estimates of expenditures incurred. This includes coach-class airfare or train fare (or business class train fare if rates are comparable); and hotels and transportation (e.g. taxis).
- 3.4 It is the responsibility of the Board members, officers, staff, and contractors* to obtain travel authorization from the Chairman of the Board, the Executive Director or Authorized Representative prior to organizing or incurring any travel costs [See Appendix A for Authorization Authority]. Expense reimbursement is subject to having received prior authorization. Exceptions shall be made under the consideration of the Chairman, Executive Director or Authorized Representative.
- 3.5 The use of video and telephone conferencing instead of travel should always be considered to reduce travel expenses.

4. Travel Expenses

4.1 Air Travel

- 4.1.1 Costs for air travel will be reimbursed on an actual cost incurred basis.
- 4.1.2 For all flights, board members, officers, staff, and contractors* are required to travel in a cabin class no higher than premium economy class and, when possible, the cheapest fare in this class.
- 4.1.3 Flights should be booked to provide the best value/lowest cost and fit between cost and convenience. Board staff shall book flights through the Board's Executive Assistant. Board members may book flights through the Board's Executive Assistant or independently. Board contractors must book flights independently, though they are allowed to consult the Board's Executive Assistant on fares the board members, officers, and staff are using.
- 4.1.4 The Board will not reimburse costs incurred due to deviations from the most direct routes taken for personal travel reasons. In such cases, if the Board purchased the ticket, the traveler must reimburse the Board for any additional costs over and above the authorized travel.

*Expense policy applies only to contractors whose contracts specify they will be able to reimburse listed expenses.

- 4.1.5 Any alteration to original travel plans must be justified and approved in accordance with the Policy.

4.2 Train Travel

- 4.2.1 The Board may reimburse travelers for their economy train fares or business class train fares when those fares are comparable to the equivalent, economy class airfare on the same route.
- 4.2.2 Board staff shall book trains through the Board's Executive Assistant. Board Members may book trains through the Board's Executive Assistant or independently. Board contractors must book trains independently, though they are allowed to consult the Board's Executive Assistant on fares the board members, officers, and staff are using.

4.3 Hotels and Lodging

- 4.3.1 Accommodation costs may be reimbursed by the Board. Board members, officers, staff, and contractors should not exceed cost of accommodation per night published in the U.S. Government GSA Per Diem Rates (<https://www.gsa.gov/perdiem>), unless approved by the Chairman or his authorized representative.
- 4.3.2 Board staff shall book hotels through the Board's Executive Assistant. Board members may book hotels through the Board's Executive Assistant or independently. Board contractors must book hotels independently, though they are allowed to consult the Board's Executive Assistant on fares the Board members, officers, and staff are using.

4.4 Transportation

- 4.4.1 Transportation costs during trips associated to Board business will be reimbursed. Board members, officers, and staff* can expense the following transportation costs: 1) transportation to and from the airport / train station and 2) transportation to and from the meeting location. Transportation costs cover taxi services or equivalent (e.g. Uber, Lyft or any other transportation means).

4.5 Business Meals

- 4.5.1 When travelling to a location other than the Board members, officers, staff, and contractors'* local city, business meals are reimbursable based on the following limits:
- Breakfast: \$15; Lunch: \$25; Dinner: \$40
 - Snack expenses are reimbursable when they replace a meal.
- 4.5.2 If meals are provided during the meeting, only meals not provided can be expensed.

5. Other Expenses

*Expense policy applies only to contractors whose contracts specify they will be able to reimburse listed expenses.

- 5.1 Other expenses are reimbursable provided they are legitimate, necessary and reasonable expenses directly connected with or pertaining to the Board, such as office supplies, printing and reproduction, telephone calls, and messengers, among other.

6. Reimbursement of Expense

- 6.1 Travel arrangements are authorized in advance through the completion and approval of a travel authorization email and the validation of a travel plan between the traveler and the designated approver [See Appendix A].

- 6.2 Expenses are reimbursed through the completion, approval, and validation of expense report [See Appendix B] that the members, officers, and staff must submit to the designated approver [See Appendix C].

- 6.3 Expense claims should be submitted immediately following and, where possible, no more than 10 days after the completion of each trip, but at least a monthly.

- 6.4 In rare circumstances, and on an exceptional basis, reimbursement in excess of stated limits may be provided when lodging options are not available below. In such rare circumstances, the need for higher reimbursement shall be indicated on the attached reimbursement form and justified in writing by the members, officers, and staff. Reimbursement will be limited to the following:

- Lodging: average rate for available 3-star hotels listed for the applicable metropolitan area on Expedia;

The Chairman of the Board or his authorized representative will have sole discretion to approve or deny such expenditures.

- 6.5 Receipts are required for all expenditures billed, such as airfare and hotel charges. No expense in excess of \$25.00 will be reimbursed to Board members, officers, staff and contractors unless the individual requesting reimbursement submits with the Expense Report written itemized receipts from each vendor (not a credit card receipt or statement) showing the vendor's name, a description of the services provided (if not otherwise obvious), the date, and the total expenses. If a receipt is not available, a full explanation of the expense and the reason for the missing receipt is required.

- 6.6 Alcoholic beverages will not be reimbursed under any circumstance.
